

THE TRUTH ABOUT SUICIDE

By Prophetess Mary

Job longed for death. He wanted God to destroy him so that he could have some comfort from his afflictions in the life after death (**Job 6:8-11**).

Just like Job, so many people long for death as a way of getting out of the misery that they feel and the unpleasant situations that they are in. They think that death is the only way out. They love or hate themselves so much that they do not want to subject themselves to any further misery. They think that after they have killed themselves, they will then have peace. Little do they know that the Word of God says that they hasten themselves into a life of eternal torments and anguish.

Assisted suicide or euthanasia is no exception because killing yourself is a sin against God.

FACTS

The WORD of GOD says:

1. The soul of man lives forever either in heaven or in hell:

“For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad.” (2Corinthians 5:10)

“And whosoever liveth and believeth in me shall never die. Believest thou this?” (John 11:26)

2. God has pronounced judgment on anyone that sins as follows:

“The soul that sinneth, it shall die.” (Ezekiel 18:4)

“There is no peace to the wicked.” (Isaiah 57:21)

3. God has also pronounced judgment on anyone that destroys the temple (the body); even their own body.

“If any man defile (abuse, destroys e.g. kill, maim) **the temple of God,** (the human body), **him shall God destroy** (in hell). This is called the second death.” (1 Corinthians 3:17)

Ye are bought with a price—1 Corinthians 6:19-20:

“What? Know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body, and in your spirit which are God’s.”

God will not hold innocent any man or woman who destroys his or her own body or the body of another human being because it is written in **Genesis 1:27:**

“God created man in His own image, in the image of God created he him (man).”

Suicide is an act of wickedness against God's creation; against the body that God created in His own image to glorify Him on earth.

FACTS ABOUT THE WICKED

1. No peace to the wicked (Isaiah 57:21)
2. God is angry with the wicked (Psalm 7:11)
3. The wicked shall be turned into hell (Psalm 9:17)
4. The Lord is far from the wicked (Proverbs 15:29)
5. The way of the wicked is an abomination (highly distasteful) to God (Proverbs 15:9)
6. The wicked are like troubled sea (Isaiah 57:20)

From the above Scriptures, we see that when one commits an act of wickedness like killing yourself/committing suicide, they bring upon themselves the above judgments that have been pronounced upon the wicked. Therefore, they can not have a life of peace after death. It is written, **"It is appointed unto man once to die, and after that the judgment"** (Hebrews 9:27).

Again, we all shall be judged by God based on what we did with our body on earth, we learned this in **2 Corinthians 5:10:**

"For we must all appear before the judgment seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad."

It is a terrible thing to go to hell because of the following facts:

FACTS ABOUT THE WICKED IN HELL

1. The fire in hell shall never be quenched
2. The worms on the wicked shall never die, **"Where their worms dieth not, and the fire is not quenched."** (Mark 9:44)
3. Those in hell are forever cut off from God.
4. People in hell are tormented by demons day and night.,
5. There is no peace in hell.

So, we see from God's Word that suicide is not a ticket to a life of eternal peace and rest. **Rather, it is a one way ticket to a life of eternal damnation from the presence of God, torments in an eternal hell fire and to a place where one is covered with worms that will never die!**

Those who contemplate suicide need to know this truth from God's Word so that they do not buy the devil's lies that suicide is an easy way out of a life of pain and anguish. No suffering on earth can compare to the eternal suffering in hell. There is no comfort in hell and there is no way to alleviate the pain and sufferings in hell. Therefore, those who want to end their life by suicide need to know what awaits them on the other side!!!
